UNIQUE Product – Integra®

- ❑ Integra is the perfect space saver solution.
- ❑ These light, flexible containers can be repacked conveniently with Wiring Harness, Lighting System, Plastic components & other light-weight parts.
- ❑ Being easy to unload, they help minimize time spent at the store.
- ❑ Integra is the right size for manual handling and stacking by one person.
- ❑ With the integrated lid flipped to the closed position, it stacks stably.
- ❑ When nested, the volume of Integra is reduced by approx. 65%.
- ❑ It can be even be used on conveyors very conveniently.
